Late Shreemanji
K N VASUDEVAN

Our divine guiding light **Late Shreemanji K N VASUDEVAN** (1935-2021) FOUNDER PRINCIPAL, FOUNDER DIRECTOR

Born in 1935 at Kodungallur, Kerala, he graduated from Madras University and completed his post-graduation in Zoology from Bihar University, where he was a rank holder. He began his illustrious career in education as a teacher at Netarhat Vidyalyaya in 1960 and served the institution until his retirement as Principal in 1995. In 1968, he topped the Summer Institute of Biology and was awarded the prestigious Fulbright Scholarship, which allowed him to collaborate with Texas University in Houston and DePaul University in Chicago. He was also selected for the Summer Science Research Project at Oklahoma University, further expanding his expertise in the field.

Throughout his career, he was actively involved in several summer institutes across India as a resource person and was associated with SCERT and NCERT as a subject expert in Biology. Additionally, he contributed as a text-book reviewer for various educational boards. His commitment to education extended beyond the classroom, and in 1962, he was commissioned as an NCC Naval Officer after training at INS Venduruthy in Cochin. For 19 years, he served as a Naval Wing Officer at Netarhat Vidyalyaya, retiring as Chief Officer.

His excellence as an educator earned him the President's Award for Best Teacher in 1993, followed by recognition from Bihar Pradesh Congress as the Best Teacher in 1996. In 2005, the Nehru Yuva Kendra, under the Ministry of Youth Affairs and Sports, Government of India, honored him for his outstanding contributions to education and community service on the occasion of Teacher's Day.

After retiring from Netarhat, he took on the role of Founder Principal at Vidya Vihar Residential School, Purnea. His vision and leadership later saw him become the Director of Vidya Vihar, where he continued to guide the institution towards excellence in education.

HONOURABLE LATE RAMESH CHANDRA MISHRA

Late Ramesh Chandra Mishra (1951-2024) Founder, Vidya Vihar Residential School

Mr. Ramesh Chandra Mishra, a visionary leader and philanthropist, was the driving force behind the establishment of the Vidya Vihar Group of Institutions. Born with a passion for education and social upliftment, he dedicated his life to creating opportunities for learning and personal growth, particularly in underserved regions. With a deep belief in the transformative power of education, he laid the foundation for Vidya Vihar Residential School and Vidya Vihar Institute of Technology, which today stand as beacons of excellence.

Throughout his life, Mr. Mishra was committed to fostering a holistic approach to education that combined academic rigor with strong moral values. His philosophy extended beyond classrooms, with an emphasis on cultivating empathy, discipline, and leadership among students. Under his stewardship, Vidya Vihar grew from a modest beginning into a prominent educational hub, renowned for its commitment to nurturing well-rounded individuals ready to meet the challenges of the modern world.

In addition to his contributions to education, Mr. Mishra was actively involved in various charitable initiatives, supporting causes related to healthcare, rural development, and cultural preservation. His philanthropic endeavors were instrumental in uplifting the local community, reflecting his unwavering commitment to social responsibility.

Even after his passing, Mr. Ramesh Chandra Mishra's legacy continues to inspire generations. The Vidya Vihar Group of Institutions stands as a testament to his vision of empowering youth with knowledge, character, and compassion, ensuring that his ideals live on through the achievements of every student who walks through its doors.

HONOURABLE PROF. (DR.) RATNESHWAR MISHRA

CHAIRMAN

Born on December 1, 1945, in Bishnupur, Purnea, Prof. (Dr.) Ratneshwar Mishra received his early education at Netarhat School and pursued higher studies at Patna University. He began his career as a History Lecturer at S.P. College, Dumka (1967–1973) and later served at C.M. College, Darbhanga (1974–1975) before joining L.N. Mithila University, where he eventually became Professor and Head of the History Department, retiring in 2005.

Prof. Mishra's achievements include presiding over the "Countries Other Than India" section at the Indian History Congress (2006) and holding key positions in L.N. Mithila University's governance bodies. He has authored numerous history books, contributed research papers to leading journals, and served on the Sahitya Akademi's Advisory Committee (Maithili) from 2002 to 2007. In 2018, the Ministry of HRD appointed him to a committee for preserving the Maithili script.

Currently, Prof. Mishra is the Chairman of Vidya Vihar Residential School, where his leadership fosters academic excellence and cultural preservation, inspiring future generations of scholars.

Er. Ranjit Kr. Paul

ER. RANJIT KR. PAUL

DIRECTOR

Er. Ranjit Kumar Paul, originally from Jamtara, Jharkhand, completed his higher secondary education at Netarhat Vidyalaya in 1960 as part of the first batch. He earned a Bachelor's degree in Metallurgy from BIT Sindri and pursued postgraduate studies in Industrial Engineering, along with a management course at ISM Dhanbad.

Er. Paul's distinguished career spanned key roles in organizations like Bhilai Steel Plant, Bharat Coking Coal Ltd., Coal India, and Bharat Bhari Udyog Nigam Ltd. (BBUNL). His expertise in HRD within the coal industry earned him a nomination to the "Training for Overseas Managers" program in the UK in 1984. Before retiring, he held senior positions as Chief General Manager at Coal India and Executive Director at BBUNL, Kolkata.

A life member of MGMI, ISTD, and NIPM, Er. Paul has actively contributed to the professional community through seminars and conferences at national and international levels.

Since 2009, he has been with Vidya Vihar Residential School, initially as Joint Director and now as Director, guiding the institution toward academic excellence and holistic development, equipping students to face future challenges with competence and confidence.

Mr. Nikhil Ranjan

MR. NIKHIL RANJAN PRINCIPAL

Mr. Nikhil Ranjan has been an invaluable member of the Vidya Vihar Residential School community since 1997, when he joined as a founding Post Graduate Teacher (PGT) in Chemistry. His academic journey began at Sainik School Goalpara (Assam), where he completed his higher secondary education in 1984. He went on to earn a postgraduate degree in Chemistry, receiving a Silver Medal from TMBU (Bhagalpur) in 1989. In 1995, he completed his Bachelor of Education from the Regional Institute of Education, Bhubaneshwar, a prestigious NCERT unit.

Over the years, Mr. Ranjan has taken on numerous leadership roles within the school. He served as Housemaster of Senior Houses for 20 years, guiding students in both academics and personal development. He also held the position of Academic Coordinator for Secondary and Senior Secondary classes for 10 years and served as Controller of Examinations for an impressive 22 years. In addition, Mr. Ranjan has been appointed as Centre Superintendent to conduct key national exams, including CTET and AISSE/AISSCE, at home and other centers. He has also served as a Head Examiner for Science and Chemistry.

Beyond his administrative roles, Mr. Ranjan has actively contributed to co-curricular and enrichment activities. He has been in charge of quizzes, tours and excursions, and has organized various science and literary activities. His passion for science education is evident in his role as Group Leader for the National Children's Science Congress.

His dedication to personal growth and student development is reflected in his achievements, including earning an NCC 'B' Certificate, the Himalayan Wood Badge in Scouts & Guides, and participation in several national workshops and adventure programs. Mr. Ranjan has also served as an Observer for AISSE practical examinations and regularly attends capacity-building programs and orientation courses organized by the CBSE's Centre of Excellence (COE).

With over two decades of experience in teaching, leadership, and administration, Mr. Ranjan brings a wealth of knowledge and dedication to his role as Principal of Vidya Vihar Residential School. He is committed to fostering academic excellence, promoting holistic development, and instilling essential values in the students under his care, ensuring they are prepared to excel both in academics and life.

About VVRS PROLOGUE

TOWARDS ACHIEVING AIMS AND OBJECTIVES OF EDUCATION

In 1954, the Government of Bihar established Netarhat Vidyalaya with the vision of promoting educational excellence. This pioneering initiative not only achieved academic success but also shaped generations of students by blending traditional Indian values with modern scientific thought. Inspired by the remarkable impact of Netarhat, its alumni and former teachers envisioned a similar institution that could extend this spirit further, adapting it to modern educational needs.

Vidya Vihar Residential School (VVRS), located at Parora, Purnea, was founded to carry forward this legacy with certain modifications in curriculum and medium of instruction, aligning with contemporary educational standards. The goal is to foster holistic development while maintaining the core principles of the Netarhat model.

At VVRS, we welcome both male and female students from across India and abroad, with a primary objective to nurture their potential in all aspects of life. Our mission goes beyond academic excellence: we focus on shaping students into well-rounded individuals with integrated personalities, guided by values such as fraternity, equality, and justice.

The school provides a stimulating environment where students are encouraged to explore scientific knowledge from an early stage. A well-stocked library and comprehensive computer education promote a scientific mindset and curiosity. Learning at VVRS transcends traditional instruction, involving diverse activities that inspire inquiry, creativity, and independent thought.

Our carefully designed curricular and co-curricular activities foster moral values, social responsibility, physical fitness, and creativity. Initially an all-boys school, VVRS expanded to admit female students in classes 6th, 7th, 8th, and 11th. This decision was driven by growing demand from parents and guardians for quality boarding education for girls. With this change, VVRS continues its commitment to providing a nurturing, inclusive, and value-based educational environment for all.

LONG VACATIONS FOR STUDENTS

1

SUMMER VACATION

2

PUJA VACATION

3

WINTER VACATION

4

**SESSION BREAK FOR
OLD BATCHES**

Vidya Vihar Residential School offers multiple vacation periods throughout the academic year, including Summer Vacation, Puja Vacation, Winter Vacation, and a Session Break for Old Batches. These vacations are subject to adjustments based on prevailing circumstances, and the specific dates will be communicated in advance.

Beyond the scheduled vacations, students are allowed up to six days of personal leave annually for unavoidable circumstances, festivals, or other valid reasons, subject to approval by the Director or Principal. Guardians are encouraged to plan such leaves early in the academic year to avoid disruptions to their child's schedule.

Guardians must collect their children personally before vacations. If they are unable to do so, a representative with a signed authorization letter from the guardian must accompany the student at the time of departure. To reduce the need to carry personal belongings home, the school provides a secure Cloak Room facility in each house, where students can safely store their items during long breaks.

Attendance on the final day before vacation begins and on the first day of the new term is compulsory. Absence on these critical days will be treated as a serious disciplinary breach. Failure to report on the first day of the term or non-payment of fees according to the fee schedule may result in the student's removal from the school rolls. Leave requests for absence on the first day will only be considered if the term fee is paid on time, and the reason for absence is deemed valid by the school administration.

School Rules

MEDICAL CARE RULES AND REGULATIONS

1. Reporting Illness: Students must report any illness to their Housemasters, who will refer them to the school's Medical Officer for care.
2. Medicine Procurement: Medicines will be provided by the school, with the cost deducted from the student's pocket money deposit.
3. Parental Communication: Parents are notified only for significant health issues. Minor ailments are managed without informing parents unless necessary. Students are expected to communicate any change in their health status to their parents/guardians on their own.
4. Spare Spectacles: Students wearing spectacles must carry a spare pair and prescription.
5. Handling Contagious Illness: Students with contagious illnesses (e.g., measles, mumps) will be sent home for recovery. Re-joining requires a fitness certificate and approval from the school's Medical Officer. Guardians with contagious diseases are advised not to visit the school to ensure community health.

WITHDRAWALS

If a parent/guardian wishes to withdraw his/her ward, he/she must give a minimum one-month's notice to the school in writing. The parents are required to collect all the belongings of their ward at the time of leaving the school campus after receipt of the school-leaving certificate. The school will not be responsible for any leftover belongings.

HOSTEL/ HOUSE RULES AND REGULATION

School Rules

1. Daily Routine Compliance: Boarders must follow the house and school routines unless medically exempted by the Medical Officer, Principal, Director, or Joint Director.
2. Attendance in Activities: Attendance during PT, games, and school hours is mandatory, except with prior approval from the Principal or Director.
3. Prohibited Items: Students are not allowed to keep cash, electrical appliances, wristwatches, or electronic gadgets.
4. Communication: Phone contact with parents/guardians is allowed twice a month using a school-provided smart calling card.
5. Service Requests: Barber, cobbler, washerman, and tailor services are accessible through Service Request Slips.
6. Enrollment Conditions: Continuation as a boarder requires meeting academic, health, behavioral, and payment standards set by the school.
7. Management Discretion: These guidelines are subject to the school management's discretion in their interpretation and application.

REMOVAL FROM THE HOSTEL/SCHOOL

A student may be expelled if their behavior negatively influences others or if they fail to improve conduct that disrupts the academic environment. Additionally, parents/guardians will be asked to withdraw students whose performance does not meet the school's prescribed standards.

Re-admission will not be granted if a student fails in the Board exam, in accordance with CBSE guidelines; such students can only appear as private candidates.

In all cases of withdrawal or expulsion, hostel charges paid for the entire semester will be forfeited, except for unused mess fees. School fees will be refunded on a pro-rata basis following CBSE norms. No requests for refunds will be entertained beyond these terms.

LEAVE REGULATIONS

Students are generally not permitted to leave during the term, with exceptions allowed for the following:

1. Medical Leave: Granted based on the Medical Officer's recommendation or discretion of the Principal, Director, or Joint Director.
2. Family Weddings: Up to three days (excluding travel) may be granted for weddings of close relatives (sibling or first cousin), with an invitation card attached to the leave application. Leave is not granted during exams or camps.
3. Upanayan Ceremony: Families are encouraged to conduct it during vacations. If unavoidable, up to six days (excluding travel) may be granted.
4. Emergency Leave: Permitted for emergencies like a parent's illness or a family member's death.

All leave requests must be submitted to the Principal, Director, or Joint Director. Students must return on the specified date; delays due to illness require immediate notification and a fitness certificate upon return. Reporting on the first day after vacations and attending the first assembly of the session/semester is mandatory to avoid penalties.

School Rules

School Rules

SCHOOL REGULATIONS

1. Compliance with Rules: Parents and guardians must follow school rules, subject to updates, with final decisions resting with the Principal/- Director.
2. Authority Delegation: School staff, under the Principal/Director, may make decisions during tours, treks, camps, and emergencies on behalf of students.
3. Mandatory Participation: Students must engage in all school activities, including excursions and expeditions.
4. No Liability for Claims: The school is not liable for accidents, illness, or unforeseen events.
5. Emergency Actions: In urgent situations, necessary actions will be taken without prior approval if needed.

OBJECTIVE: MISSION IIT/NEET/CA POSSIBLE PROBLEM WITH REGULAR COACHING SETUP

1. Coaching and +2 level schools are rarely integrated. The distance between school/college and coaching institute greatly affects the quality of preparation. For instance, in Patna, schools/colleges are in Mahendru area coaching institutes are in Kankarbagh, Boring road area. In Delhi, schools/colleges may be in R K Puram/Uttam Nagar while coaching institutes are in Hauz Khas. Same phenomenon is observed at Ranchi, Bokaro, Kota, Varanasi and many such other places.
2. Distance between school/college and coaching institute takes away valuable time of aspirants. Commuting between school/college and coaching institute is very hectic for students. In other words, it lays extra burden on aspirants.
3. In above situation, aspirants feel very exhausted throughout the day. So they cannot give 100% efforts on self study which is very important to assimilate and absorb the concepts taught in the coaching sessions.
4. The curriculum of schools and coaching are not coordinated (both in content and pace). For example, while at a certain time if thermodynamics is being handled at School, the coaching is handling optics. In this scenario, aspirants will not be able to concentrate on either of the topics. At the end of the day, aspirants manage to gain only half-baked knowledge on both the topics
5. During survey, students lamented the low emphasis given to basics. Tutors tend to jump directly to advanced problems after dealing with only a couple of basic ones. This adversely affects the concept building process of aspirants. Schools think that detailed study is to be done only in coaching institutes. Ultimately students suffer from both sides.
6. In coaching there are number of batches formed and aspirant teacher ratio is very high (about 200:1) So these institutes lack in personal attention to aspirants. Thus, individual doubts are rarely handled or eliminated.
7. Initially, when an aspirant joins any coaching, his expectations are pretty high in terms of study, attention etc. After a span of time when he faces this grim reality, he/she gets disappointed. But alas precious time has already been lost. His Career Goals remain unattained.
8. Parents are not made aware of the regular progress of aspirant because there is no open feed back system in present school/coaching education system.
9. It is practically not possible for an aspirant to buy all foreign publications books for preparation. Hence, one has to remain contented with local publications
10. Inaccessibility to a laboratory during preparation is another important issue. We know that laboratory plays an important role in understanding concepts. If an aspirant goes through practical learning process, his efficiency improves. In absence of lab work, rote learning (remembering and mugging of subject) doesn't help much.
11. Environment plays an important role in making valued aspirants.
 - (A) When an aspirant goes to any metro/mega city for preparation, there are chances to fall for many bad habits like smoking, chewing tobacco, drinking, pornography, movie mania etc. in absence of proper guidance.
 - (B) Non-availability of hygienic & nutritious diet leads to many health problems, normally jaundice, typhoid.
 - (C) Unlike minded people in the vicinity creates disturbance for aspirants.

After much analysis of problems with existing set-up of advanced classes system, we have PUT IN PLACE a system in Vidya Vihar which will help student in :- cracking JEE (Main/Advanced)/NEET etc.

1. An integrated system in which schooling and extra classes facility will be in the same campus to avoid waste of time & exhaustion caused by travel.
2. Daily plan that will ease out the pressure on the time for the student - unlocking lots of extra time required for self studies
3. Top-notch faculty from strong academic background with experience in effective JEE/NEET/CA advanced education system
4. Same teacher for XI & XII studies & JEE/NEET/CA preparation
5. Coordinated course system in which the education process would progress from very basic to advance level.
6. Synergistic and Complimentary approach to both the Board studies as well as JEE/NEET/CA preparation.
7. Detailed course study with maximum time advantage of a hostel.
8. Faculty aspirant ratio would be low (1:20) for proper attention on each and every aspirant.
9. Open feedback system in which appraisal of aspirant, faculty, management and various processes would be done regularly.
10. Regular test (conceptual and numerical) to assess the aspirant's grasping of concepts.
11. Prepare students extremely well for not only JEE/NEET/CA and board exams but for all entrance exams.
12. Rich library facility in school as well as in hostel.
13. Teaching through model and multimedia to clarify the concepts of 3D-view.
14. Sophisticated laboratory facilities for practical learning process.
15. Healthy environment to avoid any kind of deviation.
16. Extensive facilities of indoor and outdoor games for aspirants for quality recreation.
17. Regular interaction with achievers from different fields (like IIT alumni) to motivate aspirants. Motivated minds can achieve goals with full enthusiasm. Absence of regular motivation permeates doubt in aspirants.

This is a program which helps one achieve probably the best in everything that a student can aspire for.

Best possible performance in JEE MAIN/NEET/CA

Best possible performance in Board Exams &

Developing thorough and healthy personality for success in life.

VIDYA VIHAR RESIDENTIAL SCHOOL
ATAL TINKERING LABS
THINK | CREATE | DEVELOP

Selected amongst the first batch of 256 Schools from across India by Niti Aayog in 2017 after competition from amongst more than 10000 participating schools, the Atal Tinkering Lab at Vidya Vihar Residential School is reaching new milestones year after year.

We have been selected as ATL of the month almost every month and Star ATL of the month in 2020. Our ATL Incharge Mr. Rahul Shandilya has been conferred the award of ATL Teacher of Change (best in the state) for the same period.

The ATL is way for our students to explore the latest technologies of the world like Internet-Of-Things, 3D Printing, Robotics etc.

Achievements in CBSE Games 2024-25

Vidya Vihar Residential School (VVRS) achieved remarkable success at the CBSE Cluster and National Athletics Meets 2024-25, showcasing its commitment to excellence in sports and overall development. Competing against top schools from Bihar, Jharkhand, India, and the Gulf countries, our students secured multiple medals, reflecting their talent and hard work.

Gold Medal Achievements:

Bambam Kumar:

800m Race – Gold (Cluster Level)

200m Race – Gold (Cluster & National Level, Varanasi)

Bambam's outstanding performance at the national meet saw him compete against 1000+ schools and 3500 athletes, earning Gold in the 200m event. His exceptional grit also shone through at the cluster level, where he secured Gold in both the 200m and 800m races.

Under-14 Boys' Football Team: Gold Medal (Cluster Level)

Bronze Medal Achievements:

Gulshan Kumar – Triple Jump (Boys) (Cluster Level)

Under-14 Girls' Volleyball Team – Bronze

Under-17 Girls' Volleyball Team – Bronze

BAMBAM for securing 1st Position and winning the Gold Medal in the 200m Race at the CBSE National Athletics

Future Development:

The school's sports achievements reinforce its commitment to nurturing young talent. As part of this vision, VVRS is establishing the Vidya Vihar Football Academy to develop students' skills and foster future sports stars.

These achievements reflect the students' dedication, supported by the school's structured coaching and sports programs. VVRS continues to encourage excellence in both academics and sports, preparing students to excel in all areas of life.

Commitment to Sports and Physical Fitness at Vidya Vihar Residential School

At Vidya Vihar Residential School, we recognize that physical fitness and sports are essential components of holistic education. We are deeply committed to providing our students with the best facilities, training, and opportunities to excel in sports while developing lifelong habits of physical fitness and teamwork. Our extensive sports infrastructure is designed to cater to a wide range of interests and abilities, ensuring that every student has the opportunity to participate and grow.

1. Ramesh Vijaylakshmi Memorial Stadium (2000-seater)

Our crown jewel is the Ramesh Vijaylakshmi Memorial Stadium, a 2000-seater facility that offers an electrifying atmosphere for large-scale sporting events. This stadium is a hub of activity, hosting inter-house competitions, school-wide events, and other major sports tournaments. It stands as a symbol of our school's dedication to nurturing talent and promoting a vibrant sports culture.

2. Vidya Vihar Cricket Academy

Our state-of-the-art Vidya Vihar Cricket Academy is a testament to our commitment to excellence in sports. Equipped with advanced facilities like trained coaches, a bowling machine, a pitch roller, open nets, and turf wickets, the academy offers students the opportunity to hone their cricketing skills in a professional environment. With access to high-quality equipment and personalized coaching, aspiring cricketers can develop their potential and pursue their passion for the sport.

3. Upcoming Vidya Vihar Football Academy

We are excited to announce the upcoming Vidya Vihar Football Academy, which will provide structured training, mentorship, and opportunities for students passionate about football. This new initiative will include professional coaching and top-tier facilities, ensuring that our students are equipped to compete at the highest levels of the game.

4. 25 Acres of Playgrounds

Spanning over 25 acres, our campus boasts expansive playgrounds dedicated to a wide variety of sports, including Cricket, Volleyball, Football, Basketball, Kho Kho, Badminton, Handball, and more. With ample space and well-maintained fields, students have the freedom to explore different sports, engage in regular practice sessions, and participate in organized games and inter-house competitions.

5. Organized Games, PT, and Yoga Sessions

We believe in the importance of structured physical activity, which is why we incorporate organized games, Physical Training (PT), and Yoga sessions into the daily routine of our students. These activities promote physical fitness, mental well-being, and overall development, ensuring that students maintain a balanced lifestyle that prioritizes both academic achievement and physical health.

6. Indoor Sports Hall

For those who prefer indoor sports, our Indoor Sports Hall offers a variety of activities, including Table Tennis, Carrom, Billiards, and Chess. This facility provides a comfortable environment for students to engage in mind-sport challenges, develop strategic thinking, and cultivate concentration and discipline. Whether students are looking for recreation or competition, our indoor sports hall meets the diverse needs of our school community.

At Vidya Vihar Residential School, we are proud of our sports and physical fitness programs, which play a crucial role in shaping well-rounded individuals. Through our world-class facilities, expert coaching, and a wide range of activities, we aim to instill in our students the values of discipline, teamwork, and perseverance—qualities that will serve them well both on and off the field.

Commitment to Environment Conservation at Vidya Vihar Residential School

At Vidya Vihar Residential School, we believe that nurturing responsible global citizens begins with fostering a deep respect for the environment. Our commitment to sustainability is reflected in every aspect of campus life, as we continuously strive to minimize our ecological footprint and set an example of environmental stewardship for our students. Our eco-friendly initiatives are designed to create a greener, healthier future for all. Some of our key practices include:

1. 180 KW Solar Plant

We have invested in a state-of-the-art 180 KW solar plant to harness clean and renewable energy. This plant not only significantly reduces our reliance on non-renewable energy sources but also demonstrates to our students the importance of sustainable energy solutions. By generating a substantial portion of our electricity through solar power, we are taking a strong step towards reducing our carbon footprint.

2. Green All Across Campus

Our lush, green campus is a testament to our dedication to creating a harmonious environment. With a variety of plants, trees, and landscaped gardens, our school serves as a natural oasis that promotes biodiversity. We believe that green spaces contribute to a calm and focused learning atmosphere while fostering a connection to nature among our students.

3. Garbage Segregation for Recycling

Waste management is a critical component of our conservation efforts. We have implemented a comprehensive system of garbage segregation on campus to ensure that waste is properly categorized for recycling. Our students and staff are actively involved in this process, learning the value of responsible consumption and the importance of reducing, reusing, and recycling.

4. Regular Plantation Activities

We regularly organize plantation drives that engage our students and staff in greening initiatives. These activities not only beautify our campus but also educate students about the importance of afforestation, environmental balance, and the role of trees in combating climate change. Every sapling planted is a step towards a more sustainable future.

5. Rainwater Harvesting

To address water conservation, we have implemented a rainwater harvesting system across our campus. This system captures and stores rainwater, which is then used for irrigation and other non-potable purposes. By effectively managing our water resources, we contribute to the preservation of this precious resource and ensure its availability for future generations.

6. Compost Pit

We have set up a compost pit on our campus to convert organic waste into nutrient-rich compost. This initiative reduces the amount of waste sent to landfills and provides a sustainable solution for enriching our gardens. It also serves as an educational tool for students, teaching them about the importance of composting and soil health in sustainable agriculture.

At Vidya Vihar Residential School, our commitment to environmental conservation is not just a policy—it's a way of life. Through these initiatives, we aim to instill in our students a deep sense of responsibility towards the planet, preparing them to be thoughtful and proactive environmental stewards in the years to come.
